Revealed: the US law firms which secure the highest quality patents for their clients

One of the features that we have in issue 59 of *IAM* - which is [now online and available for all subscribers to view](#) – is based around the results of our annual ranking of which US law firms secure the highest quality patents for their clients. Published every year since 2010 in conjunction with [Ocean Tomo Ratings](#), who provide the data, we have top 10 tables covering four distinct areas – IT, healthcare, consumer electronics and industrials

Table 2. Consumer electronics/discretionary

Rank	Attorney firm name	Avg OTR score
